RE: Re-Zoning Case #10966A-15

Dear Mr. Centinario,

Please consider this a formal request to withdraw the re-zoning application and subsequent Ordinance proposed for 8001 28th Avenue South, Case #10966A-15, as I was recently advised that the parcel was re-zoned to the requested designation as part of a district re-zoning measure legislated by City Council at its December 7th meeting. Therefore, the re-zoning request is no longer necessary.

Thank you for your attention to processing this request and application for me on behalf of my client's planned hotel. If you have any questions or need further information from me, please let me know.

Regards,
